

Wirral Multicultural Organisation

Wirral Multicultural Organisation is seeking three new trustees to increase the diversity of its Management Board

We would like to recruit one member each from the following communities

**One person from the African/Afro-Caribbean Community
One person from the Polish Community
One Person from the Irish Community**

Prospective members would need to show that they are able to keep members of their own communities informed about the work of Wirral Multicultural Organisation and to highlight the needs of their own communities to be raised at board level for discussion and contribution to future planning.

We are currently undertaking a skills audit to identify gaps in board membership and will be seeking people who can fill these gaps.

If you are interested in becoming a trustee on the Management Board of Wirral Multicultural Organisation, please request a Trustee Pack from Raza Moula at the address below. The pack contains information about the organisation and some forms for you to complete and return as an expression of interest.

**All expressions of interest should be returned by
Friday 15th September**
